Recently, Prime Ministers of India and Nepal have jointly inaugurated a cross-border

petroleum products pipeline.

- Pipeline carries petroleum products from **Motihari in India to Amlekhgunj in Nepal.**
- This is **South Asia's first cross-border petroleum products pipeline.**
- It is 69-km long having a capacity of 2 million metric ton per annum, will provide cleaner petroleum products at affordable cost to the people of Nepal.
- The project would help to deepen **India-Nepal Bilateral Relationship.**
