Why in News

On August 28, 2021, the Speaker of the Assembly, Dr. C.P. Joshi launched the helicopter joyride at Nathdwara in Rajsamand district.

Key Points

- Through this, new heights will be given to tourism development in the region and efforts will be made to attract domestic and foreign tourists to the area with the coordinated efforts of the government, administration and public representatives.
- Joshi said that the tourists visiting Nathdwara will get a chance to see the scenic beauty of **Udaipur-Nathdwara-Kumbhalgarh** through helicopter and they will be able to enjoy tourism by staying in Nathdwara for two-three days instead of one day, which will help in tourism development of the area. Including economic development of the people here will also be possible.
- He said that keeping in view the passenger load, the number of helicopters can also be increased and in the coming days two engine helicopters will also be used.
