

# Pilot Project of MBBS Course in Hindi

## Why in News

- On February 24, 2022, in the meeting of the Hindi Curriculum High Committee constituted in connection with the introduction of courses in Hindi in Madhya Pradesh, State Medical Education Minister Vishwas Kailash Sarang said that the pilot project of MBBS studies in Hindi will be started from Gandhi Medical College.

## Key Points

- Minister Vishwas Kailash Sarang informed that a systematic course is being prepared by duly constituting a Hindi cell. It includes experts from different fields.
- In parallel, this arrangement is being made as an aid to the students studying in Hindi medium. Along with English, preparations are also being made to provide Hindi books.
- As an innovation, the books of 3 subjects of the first year are being adapted keeping in mind the practical side. Tools and platforms are being provided to the students using Devanagari.
- The Faculty of Medical College has also been instructed to take classes in Hindi while explaining to the students. Three war-rooms are being built for three subjects.
- He said that Madhya Pradesh would be the first state in the country which started this innovation and Madhya Pradesh would be the leader in implementing it in future also.
