### Why In News?

In the 19<sup>th</sup> CSI-SIG Awards ceremony held at Motilal Nehru National Institute of Technology, Prayagraj on 23<sup>rd</sup> April, 2022, MP Tenders Portal received the prestigious National Level '**CSI SIG e-Governance**' Award of Appreciation for the year 2021 in Project Category.

### Key Points

- 19<sup>th</sup> 'CSI SIG e-Governance' Award 2021 as 'Award of Appreciation' for tenders is a milestone for Madhya Pradesh Government e-Procurement System MPSEDC.
  - The work was started in the year 2006 with the participation of MPSEDC as the nodal agency for the online e-tendering system. This achievement has proved to be a visionary project for Madhya Pradesh State Electronics Development Corporation (MPSEDC).
  - MPSEDC has created stable solutions for foolproof programs with minimal human involvement. The organization has achieved this success through transparency, modern technology, strong infrastructure and strong team.
  - The organization aims to deliver value-based services to its partners, adoption of sound project management ideas, consistent training, a data analysis dashboard feature and focus on all its stakeholders to help the firm reach its goals.
  - The organization has implemented the latest technological developments to make its project easier. It has also improved by using data analytics as a tool by taking advantage of the asymmetries and helping to find the root cause of the problems.
  - It may be mentioned that the CSI SIG e-Governance Award is a prestigious national level award given by the Computer Society of India to recognize the best innovations in e-Governance.
