

State's first Health and Wellness Centre | Rajasthan | 13 Jun 2022

Why in News?

On June 12, 2022, Chief Minister Ashok Gehlot laid the foundation stone and laid the foundation stone of the health and wellness centre, the state's first Ayurvedic medical centre, at Billi ki Bhagal village in Khamanor tehsil of Rajsamand district.

Key Points

- Along with this, the Chief Minister announced to give 30 crore rupees in the first phase for this center and 5 hectare land in Nathdwara to Gayatri family free of cost.
- Addressing the function, the Chief Minister said that rajasthan's first yoga and ayurvedic medicine based health and wellness centre is being set up to promote medicine in the state.
- This wellness centre will benefit from Ayurvedic medicines, yoga, naturopathy, etc. More such centres will be opened by the state government at other places.
- Speaking on the occasion, The Speaker of the Legislative Assembly, Dr. C. P. Joshi said that every person coming to this wellness centre will get a clean environment as well as medical tourism will be promoted here. At the same time, such infrastructure will accelerate the all-round development of the region.
