

Haryana e-learning Tablet Distribution Scheme | Haryana | 28 Jul 2022

Why In New?

- On July 27, 2022, Uzbekistan delegation in Chandigarh informed Education Minister Kanwar Pal that under the e-learning scheme by the Haryana government, 5 lakh children studying in government schools, including Uzbekistan, will be given free tablets, 2 GB internet data and software. It is being praised all over the world.

Key Points

- During this, the Vice Chancellor and other members of Namangan University of Uzbekistan took detailed information about this scheme and urged the Education Minister to give his expertise to Haryana in preparing such a scheme, so that they too can implement such scheme for the students in their country. be able to apply.
 - Kanwar Pal said that the State Government has shown keen interest in the field of Information Technology by giving tablets to the children at the school level. Children in school will be proficient in technology by studying through e-learning scheme, which will also provide employment at international level.
 - The Education Minister said that Haryana is the first state in the country, which has distributed tablets to 5 lakh students of class 10th, 11th and 12th of government schools.
 - Super-100 program is also being run by the state government for the bright students studying in government schools. The Super-100 program of the Education Department is a unique effort to make career of meritorious students. Under this, free coaching is provided for IIT and NEET.
 - The delegation from Uzbekistan said that they are following this scheme to inculcate interest in skill development including information technology among the students of their country, so that experts are prepared there too.
 - The delegation said that now That India has formulated the New Education Policy-2020, but so far only Russian courses are taught here, it is high time that more and more is learned from this policy of India.
 - Urging the Education Minister for exchange of technology, the delegation said that 5 students of Uzbekistan should be admitted in the government universities of Haryana in post-graduate English subject, so that the students there can have a good hold on English subject.
 - The delegation said that the English language curriculum in India is easy, so the content of Indian English language is suitable for their schools. Apart from this, the Education Minister has also agreed to send English and computer subject teachers to Uzbekistan for short training.
 - The Education Minister said that Haryana, known for art and culture, Faridabad is the partner country of The Surajkund Mela. The fair is organized in collaboration with it. At the same time, Haryana will become an ally of Uzbekistan in education.
 - On this occasion, the Education Minister felicitated the delegation. The delegation from Uzbekistan honoured the Education Minister with a cap and memento designed by the engineering students there.
