

CM Dashboard and 'CM Uphaar' portal in Chandigarh | Haryana | 02 Nov 2022

Why In News?

On October 31, 2022, Haryana Chief Minister Manohar Lal launched the CM Dashboard and 'CM Uphaar' portal in Chandigarh.

Key Points

- The Chief Minister said that the CM Dashboard Portal will enable a real analysis review of all the departments and information about high-level decisions on all major schemes will be made available on the CM Dashboard. This portal will also benefit greatly in good governance.
- On this dashboard, information about the functioning and schemes of all the departments will be available to the Chief Minister at all major and small levels and on this, the functioning can be tracked and it will be easy to analyze the reports and by this old and new data can be compared, which will make it possible to get prior information on the basis of data.
- It is worth mentioning that this dashboard has been developed in-house with state-of-the-art Business Intelligence software.
- Apart from this, all the valuable gifts received by the Chief Minister through the 'CM Uphaar' portal will be auctioned online in a transparent manner and on this portal any citizen of the country can bid for 'Uphaar' and the highest bidder will be awarded. The gift will be given to him after he is declared the winner.
- On this occasion, Chief Minister Manohar Lal said that this portal has been launched for the welfare of the society. The amount received from the auction of gifts through the portal will be used for the welfare of the citizens of Haryana through the Chief Minister's Relief Fund.
