

Technocrats will now be kept in Haryana's Cyber Police Station

Why In News?

On November 16, 2022, Haryana Home Minister Anil Vij told a review meeting of senior officials of the Home and Police Department that technocrats will now be kept in the cyber police station of the state so that cyber-crime can be completely curbed.

Key Points

- Anil Vij said that technocrats should be kept on deputation from other departments to keep at least one cyber-related technocrat in every district of the state. Apart from this, police public committees will be formed by November 30, in which select and present people of the city will also be included in the committees, including people from various institutions, organizations.
- During the meeting, the Haryana Police Rules were also discussed, and the Minister was informed that a committee has been formed in this regard, which is acting on the investigation of these rules and these rules will be implemented by December 31, 2022. The report will be submitted to the government for further action.
- In the meeting, Vij said that a decision will be taken soon regarding the promotion of police personnel working in Ambala and Karnal range and keeping in view the seniority, the police personnel will be promoted, for which today he has given instructions to the senior officers of the police department. .
- In order to make Haryana a crime-free and safe state, the Home Minister directed the officers to speed up the work of installing CCTV cameras in crowded areas.
- Anil Vij told that now new smart cards will be issued for arms license in Haryana.
- He directed the officers to issue instructions to the Superintendents of Police and Police Commissioners of all the districts of the state to redress the problems of the people every day from 11 am to 12 am, so that many cases would be resolved at their level only.
