

MoU Between SEBI and FRC Mongolia

Why in News?

Recently, the Union Cabinet has approved the proposal for a bilateral Memorandum of Understanding (MoU) between [Securities and Exchange Board of India \(SEBI\)](#) and **Financial Regulatory Commission, Mongolia (FRC)**.

- FRC is Mongolia's (non-bank) financial markets regulator.
- FRC, like SEBI, is a co-signatory to [International Organization of Securities Commissions' Multilateral MoU](#) (IOSCO MMoU).

What is the MoU about?

- The proposed bilateral MoU would, in addition to contributing towards strengthening the information sharing framework leading to effective enforcement of securities laws, also help in establishing a technical assistance programme.
 - The IOSCO MMoU does not have under its scope **the provision for technical assistance**.
- The technical assistance programme would benefit the Authorities by way of consultations on matters relating to capital markets, capacity building activities and training programmes for the staff.

What is IOSCO?

- **Founded:** April 1983
- **Headquarters:** Madrid, Spain
 - IOSCO Asia Pacific Hub is located in Kuala Lumpur, Malaysia.
- **About:**
 - **It is the international organization that brings together the world's securities regulators**, covering more than 95% of the world's securities markets, and is the global standard setter for the securities sector.
 - It works closely with the [G20 \(Group of Twenty\)](#) and the [Financial Stability Board \(FSB\)](#) in setting up the standards for strengthening the securities markets.
- **Objectives:**
 - The IOSCO Objectives and Principles of Securities Regulation have been endorsed by FSB as one of the key standards for sound financial systems.
 - IOSCO's enforcement role extends to matters of interpretation of [International Financial Reporting Standards \(IFRS\)](#), where IOSCO maintains a (confidential) database of enforcement actions taken by member agencies.
 - IFRS is an accounting standard that has been issued by the International Accounting Standards Board (IASB) with the objective of providing a common accounting language to increase transparency in the presentation of financial information.
