

Singrauli will get the Gift of Medical College Building | Madhya Pradesh | 20 Jan 2023

Why In News?

- On January 19, 2023, Madhya Pradesh Chief Minister Shivraj Singh Chouhan informed that as announced earlier by him, the foundation stone of government medical college building will be laid in Singrauli on January 22.

Key points

- Singrauli district is the highest revenue generating district in the state due to thermal power plants and coal mining projects.
 - Chief Minister Shivraj Singh Chouhan said that the demand for a medical college in Singrauli was being made for a long time. The medical college building is being constructed in village Naugarh. For this, 25 acres of land has been allotted. Rs 248.27 crore has been sanctioned for construction of building complex.
 - It is being constructed by M/s DV Projects Limited, which will be completed by December 19, 2024.
 - Shivraj Singh Chouhan said that with the construction of the medical college, the arrangements for treatment here will be better. Not only Singrauli, the dream of students of the entire Vindhya region to become doctors will also be fulfilled. Students of tribal dominated areas will be able to study medicine by staying near their homes.
 - Senior doctors and experienced professors will be appointed to provide education to the students in the medical college. Singrauli district will benefit from their medical knowledge and efficiency.
