

Chief Minister Inaugurated Hot Air Balloon Safari in Pinjore | Haryana | 09 Nov 2023

Why In News?

On November 8, 2023, Haryana Chief Minister Manohar Lal inaugurated the Hot Air Balloon Safari at Pinjore, known as the 'Gateway of Himachal', located in Panchkula district of the state.

Key Points:

- Haryana Chief Minister Manohar Lal Khattar along with Haryana Vidhan Sabha Speaker Gian Chand Gupta and School Education and Heritage and Tourism Minister Kanwar Pal took a hot air balloon safari.
- Speaking on the occasion, the Chief Minister said that hot air balloon safari is very safe from the point of view of security. The company operating the hot air balloon has obtained safety certificates.
- To enjoy the hot air balloon safari, it will cost 13 thousand rupees per ride per ride. Only those people will be able to ride in it who meet the health-related parameters. The state government will give Rs 72 lakh as VGF to the company for two years.
- The introduction of hot air balloon safari in the region will not only boost the tourism but also provide employment opportunities. With this, on the one hand, tourists will get to share new experiences in their journey in addition to the ongoing tourism activities, on the other hand, they will also be able to get acquainted with the historical background of Pinjore.
- The Chief Minister has made Panchkula, located in the Shivalik mountain range, a hub of adventure sports activities. Morni, the only hill station in the state, is also located in Panchkula. After introducing adventure sports like paragliding, water sports activity, jet scooter, parasailing and trekking in the tikkartal area near Morni Hills, Pinjore is now being developed as tourism.
- The Chief Minister said that the state government is developing Shivalik mountain region as well as Aravalli region for tourism. The world's largest jungle safari park is being developed by the state government on 10,000 acres of land in Gurugram and Nuh districts falling in the Aravalli Mountain range. This will help in preserving the Aravalli Mountain range, while on the other hand tourism will also boost tourism in Gurugram and Nuh areas.
- Pinjore, considered the gateway of Dev Bhoomi Himachal, has its own historical significance, it is also considered to be a site of Mahabharata period. This place preserves thousands of years old ancient history within itself. The remains of ancient history are present here.
- It is believed that the Pandava's spent a large period of exile here during their exile, evidence of which is still seen in Pinjore. Not only this, the Yadavindra Garden, also known as Pinjore Garden, located here, is extremely famous. It is an example of Mughal Garden style.
