

## Inauguration of New Heli Service in Uttarakhand | Uttarakhand | 02 Mar 2024

## Why in News?

Recently, Chief Minister Pushkar Singh Dhami inaugurated **heli service in Uttrakhand** to boost connectivity within the state.

## **Key Points**

- The newly launched helicopter service will link Haldwani with Munsiyari, Pithoragarh, and Champawat.
- This initiative is a part of the **Regional Connectivity Scheme** which aims to reduce the distance between these remote regions.
  - Due to Uttarakhand's challenging terrains, aerial connectivity will help with both everyday travel and critical emergency response capabilities.
- This launch follows the recent inauguration of a new terminal building at <u>lolly Grant Airport.</u>
- Upcoming air routes were also announced, including Dehradun to Amritsar, Dehradun to Pantnagar, and Dehradun to Ayodhya.

## **Regional Connectivity Scheme: UDAN**

- About:
  - UDAN (Ude Desh Ka Aam Nagarik) was launched by the Ministry of Civil Aviation for regional airport development and regional connectivity enhancement.
  - It is a part of the National Civil Aviation Policy 2016.
  - The scheme is applicable for a **period of 10 years.**
- Phases:
  - **Phase 1** was launched in 2017, with the objective of connecting underserved and unserved airports in the country.
  - **Phase 2** was launched in 2018, with the aim of expanding air connectivity to more remote and inaccessible parts of the country.
  - **Phase 3** was launched in November 2018, with the focus on enhancing air connectivity to hilly and remote regions of the country.
  - Phase 4 of the UDAN scheme was launched in December 2019, with a focus on connecting islands and other remote areas of the country.
  - Phase 5 was launched in April 2023, with a focus on Category-2 (20-80 seats) and Category-3 (>80 seats) aircrafts with no restriction on the distance between the origin and the destination of the flight.
