Why in News?

Recently, the **2023 Regional Cooperation and Integration (RCI) Conference** was organised by the **Asian Development Bank (ADB)** at Tbilisi, Georgia where India showcased its **PM Gatishakti National Master Plan**.

What is the Asian Development Bank?

About:

- ADB is a regional development bank established in 1966 with the objective of promoting social and economic development in Asia and the Pacific.
 - It has **68 members**; 49 are from within Asia and the Pacific and 19 outside. **India** is a founding member.
- ADB assists its members and partners by providing loans, technical assistance, grants, and equity investments to promote social and economic development.
- As of 31st December 2022, **ADB's five largest shareholders** are **Japan** and **the US** (each with 15.6% of total shares), **China** (6.4%), **India** (6.3%), and **Australia** (5.8%).
- It is headquartered in Manila, Philippines.

About ADB Conference:

- Theme for 2023 Conference:
 - Strengthening Regional Cooperation and Integration through Economic Corridor Development (ECD).
- Objective:
 - Explore ways to integrate spatial transformation/area-centric approach with the ECD and strengthen regional cooperation through a broader approach.
 - Knowledge sharing on application of the ECD framework and operational guidelines for investable projects.
- Participation:
 - The conference saw participation from more than 30 member countries.
- India's Role:
 - At the RCI Conference, India offered its indigenously developed GIS-based technology though knowledge sharing to ADB and <u>South Asia Subregional</u> <u>Economic Cooperation (SASEC)</u> countries for enhancing socio-economic planning and regional cooperation.

What is PM GatiShakti National Master Plan for Multi-modal Connectivity?

- It is a <u>Made in India</u> initiative, a transformative 'whole-of-government' approach for integrated planning of multimodal infrastructure connectivity to economic nodes and social infrastructure, thereby improving logistics efficiency.
 - PM Gati Shakti principles bring socio-economic area-based development as part of regional connectivity.
 - PM GatiShakti was launched in October 2021.
- The Gati Shakti scheme subsumed Rs. 110 lakh crore **National Infrastructure Pipeline** launched in 2019.
- PM Gatishakti National Master Plan is a **Geographic Information System (GIS)** data-based digital platform with over 1400 data layers and 50+ tools.
 - It provides visual representation of trunk and utility infrastructure, land use, existing structures, soil quality, habitation, tourism sites, forest sensitive areas etc.
- The initiative is also being implemented to enhance connectivity with regional partners as well. Some of the suitable examples are:
 - The Indo-Nepal Haldia Access Controlled Corridor project (eastern Indian states and Nepal)
 - Regional Waterways Grid (RWG) project for multimodal connectivity to growth centres and border points.
