

## 'Operation Akraman-2'

### Why in News?

- On September 6, 2022, Haryana Director General of Police (DGP) Prashant Kumar Agarwal said that a day-long special operation 'Operation Akraman-2' was launched by the Haryana Police to nab the miscreants.

### Key Points

- As part of the 'Operation Akraman-2' operation, the police conducted extensive raids across the state throughout the day and registered 710 cases under relevant sections of the IPC, NDPS, Excise and Arms Act etc. and arrested 964 accused.
- The DGP said that the objective of this campaign launched by Haryana Police on September 5 is to take effective action against criminal elements, curb street crime and illegal weapons, crackdown on illegal liquor and drug trafficking.
- He said that we want to create fear of law among the criminals by raiding their areas/roads/houses suddenly to crack down on miscreants and anti-social elements in every district without leaving any scope for them to escape.
- According to reports received from various districts, 645 teams of about 3500 policemen raided many places in the field. During the raid, the raiding teams also managed to nab 45 proclaimed offenders and 34 bail jumpers. The arrested miscreants were wanted in several cases and were absconding to evade arrest.
- The highest number of 116 accused were arrested in Panipat district, followed by 108 in Gurugram and 102 in Ambala. Similarly, maximum 24 POs and bell jumpers were nabbed in Sonipat district and nine were arrested from Panipat.
- The DGP said that police teams also raided the jail premises of the state to check any kind of illegal activities, equipment and other items.
- Assessing the special drive, he described it as a step towards strict police action against criminals and further strengthening faith in law among the general public. He said that such special operations will continue in future also.
- 'Operation Akraman' is a special state-level operation to simultaneously raid the premises of criminal and anti-social elements. Under this, raiding police teams have been formed. These police teams jointly take action to curb criminal elements without leaving them the scope of escape.
