

## **Doctor on Wheels**

## **Source: PIB**

Recently, the Union Minister of Science & Technology stated that "Aarogya-Doctor on Wheels" has provided medical assistance to around 13,000 patients in remote areas of the Udhampur-Kathua-Doda Lok Sabha constituency.

- The Doctor on Wheels initiative utilises <u>Al technology</u> and remote consultations from specialist doctors, delivering prompt and comprehensive medical care within 45 minutes.
- With a focus on inclusivity and cost-effectiveness, it addresses <u>healthcare disparities</u>, **bridging** the urban-rural divide.
