## Hanukkah

Hanukkah, also known as the Festival of Lights or Chanukah,commences at sundown on 7th December, 2023.

- It is an eight-day Jewish holiday that commemorates the rededication of the Second Temple in Jerusalem during the second century BCE.
- The festival begins on the $\mathbf{2 5}^{\text {th }}$ day of the Jewish month of Kislev and usually falls in Iate November to late December in the Gregorian calendar.
- Hanukkah celebrates the miracle of a small quantity of oil, which lasted for eight days, lighting the Temple's menorah (candelabrum) at the time of the Maccabean revolt, despite there being only enough oil for one day.
- The Hanukkah menorah is a nine-branched candelabrum that is lit during the eight-day holiday of Hanukkah.
