## 'Report Fish Disease' App

The **Union Ministry of Animal Husbandry, Fisheries, and Dairying** has unveiled a new mobile app called **'Report Fish Disease'** to help fish farmers and improve disease management in the <u>aquaculture</u> sector. sector.

Fish Diseases are the major constraint to the growth of the aquaculture industry. Surveillance for aquatic animal diseases is essential for early detection of diseases, thereby minimizing their impacts. Early detection of diseases is important for eradication and containment. Many cases of diseases in aquaculture go unreported due to unavailability of the field-level disease reporting mechanism.

The RFD app will help farmers report incidences of **diseases in finfish, shrimps, and molluscs** on their farms to field-level officers and fish health experts.

## **Chennai-Vladivostok Maritime Route**

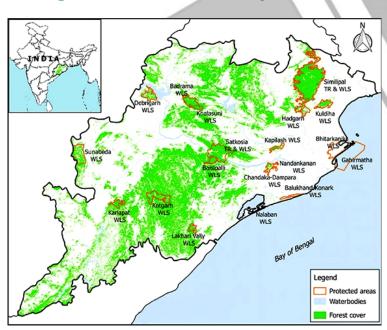

<u>//\_</u>

India and Russia are keen to make the Chennai – Vladivostok maritime route operational. The Vladivostok – Chennai route passes through the **Sea of Japan, the** <u>South China Sea</u> and <u>Malacca Strait</u>. During the 2019 visit, the PM of India signed a Memorandum of Intent (MoI) on the **'Development of Maritime Communications between the Port of Vladivostok and the Port of Chennai'** with the Russian President.

The route will bring down transport time to 10-12 days, almost a third of what is taken under the **existing popular route that covers from St Petersburg to Mumbai.** At the same time, **costs are expected to come down significantly by 30%.** 

It would also give India access to the Far East, including countries like Mongolia, and a significant presence in the Southeast Asian region.

## Debrigarh Wildlife Sanctuary

**Debrigarh**, a wildlife sanctuary in Odisha's Bargarh district, **has been made completely free from any human settlement.** As per the State Forest and Environment department, Debrigarh Sanctuary, which is proposed to be a tiger reserve, has high prey base.

The sanctuary is habitat of animals such as Indian Bison's, Wild Boars, Sambhar and Peacocks. The fourhorned antelope (Chousingha) which is listed as vulnerable in <u>IUCN red list</u> also inhabits this sanctuary.

The **<u>Hirakud Reservoir</u>**, which is a **<u>Ramsar Site</u>** and **International Bird Area**, is also located next to the sanctuary.

The sanctuary also finds a special mention because of noted freedom fighter <u>Veer Surendra Sai</u> who made his base at 'Barapathara' located within the sanctuary during his rebellion against the British.
