

Anamaya: Tribal Health Collaborative

Why in News

Recently, the **Ministry of Tribal Affairs** has launched **Tribal Health Collaborative (THC) 'Anamaya'** through a video conference.

• In 2018, an expert committee released a <u>comprehensive report on tribal health</u> in India which highlighted the issues and concerns of tribal health.

Key Points

About:

- It is an initiative bringing together governments, philanthropists, national and international foundations, Non-Governmental Organizations (NGOs)/Community Based Organizations (CBOs) to end all preventable deaths among the tribal communities of India.
- It will **converge efforts of various Government agencies and organisations** to enhance the health and nutrition status of the tribal communities of India.

Aim:

 To build a sustainable, high-performing health ecosystem to address the key health challenges faced by the tribal population of India.

Stakeholders:

- It is a multi-stakeholder initiative of the Ministry of Tribal Affairs supported by Piramal Foundation and Bill and Melinda Gates Foundation (BMGF).
 - **Piramal Foundation** is the philanthropic arm of Piramal Group. The foundation undertakes projects under the four broad areas **healthcare**, **education**, **livelihood creation and youth empowerment**.

Operation:

- It will **begin its operations with 50 tribal**, **Aspirational Districts** (with more than 20% **Scheduled Tribe** population) across 6 high tribal population states.
- Over a 10-year period, the work of the THC will be extended to 177 tribal Districts as recognised by the Ministry of Tribal Affairs.
- Other Initiatives Related to the Tribal Communities:
 - Programme for Capacity Building of Scheduled Tribe (ST) Representatives in Local Self Governments:
 - It is aimed at empowering tribal **Panchayati Raj Institution (PRI)** representatives by enhancing their decision making capabilities at local government level.
 - 1000 Springs Initiative:
 - The **1000 Springs Initiative** aims at improving access to safe and adequate water

- for the tribal communities living in difficult and inaccessible parts of rural areas in the country.
- The initiative will help in harnessing the potential of perennial springs' water to address natural scarcity of water in tribal areas.
- Tribal Health Cell:
 - A 'Tribal Health Cell' is being set up in the **Ministry of Tribal Affairs.**
 - It will help central ministries and state governments to **facilitate and strengthen primary health care** systems and **invest in tribal health research.**
