

Bottom-up Consultative Process for PSBs

The Finance Ministry has asked **Public Sector Banks (PSBs)** to initiate a month-long **consultation process with officers at branch level** to seek suggestions on streamlining banking sector to help the country achieve its target to become a <u>5 trillion dollar economy by 2024-25</u>.

- The consultative process has been divided into three stages with the first being at the branch or regional level, followed by the state level. It will culminate with a national-level two-day brainstorming in Delhi.
- The suggestions emanating from a month-long campaign beginning 17th August, 2019 will be used as inputs to prepare a road map for the future growth of the banking sector.

Agenda of the Process

- Performance review and synchronisation of banking with region-specific issues.
 - Branches will be assessed on swachh credit (lending in water and sanitation sector),
 <u>financial inclusion and women's empowerment, direct benefit transfer, digital economy</u>,
 <u>ATM usage and performance</u> and <u>corporate social responsibility</u>, among others.
- Finding solutions to the challenges faced by banks such as huge <u>Non Performing Assets (NPAs)</u>, reduced profits etc.
- Making banks more responsive to customers.
- Analyzing the preparedness of the banks in areas such as cybersecurity and data analytics.
- Focus on raising credit offtake for supporting economic growth, credit support to infrastructure and role of the banking sector in <u>doubling farmers' income</u> and water conservation.
 - Supporting green economy, improving education loan and other sectors such as <u>Micro</u>,
 <u>Small and Medium Enterprises (MSMEs)</u> and exports.

Background

- The economy of the country has slowed to a 5-year low of 6.8%.
 - The automobile sector is facing its worst crisis in two decades and reports suggest thousands of job losses in the auto and ancillary industry.
 - In the real estate sector, the number of unsold homes has increased, while fast-moving consumer goods (FMCG) companies have reported a decline in volume growth in the first quarter (April - June, 2019).
- Banks, facing the **charge of not passing on the full extent of the easing of the policy rates.** The **Reserve Bank of India (RBI)** had cut the repo rate by 75 basis points between February and June, 2019, but banks have reduced their interest rates on fresh rupee loans by 29 basis points only.
- Though **lending** by banks to industries has shown a significant jump from 0.9% in the June 2018 quarter to 6.6% in the corresponding period of 2019, the same **to the job-creating MSME** sector has slipped from 0.7% to 0.6% during the same period.
- However, there has been an improvement in non-performing assets of the banks. The total
