

# Psychological Counselling Centres to be established in Jodhpur & Kota

## Why in News?

On June 28, 2023, Rajasthan Chief Minister Ashok Gehlot approved the establishment of psychological counselling centres in Jaipur, Jodhpur and Kota medical colleges of the state.

## Key Points:

- Along with setting up a psychological counselling centre, approval has also been given to purchase the necessary furniture and equipment for this.
- According to the proposal, these centres will be operated on the available space in the medical college/hospital. Approval has also been given to hire the services of 3 Clinical Psychologists, 6 Counsellors, 4 Ward Boys/ Security Guards/ Attendants and 2 Machines with a Man on contract for each institute.
- It is noteworthy that the Chief Minister had announced in this regard in the budget year 2023-24.
