

Jharkhand Government Tables Budget for FY'25

Why in News?

Recently, the Jharkhand Government tabled a **₹1.28 lakh crore** [budget](#) for the 2024-25 fiscal year in the Assembly.

Key Points

- The budgetary estimates for FY'25 were up by **over 10% from the FY'24 annual financial statement**.
 - The Jharkhand Mukti Morcha-led coalition government had presented a budget of ₹1.16 lakh crore for the current financial year 2023-24.
- This was the **first Budget** of the newly formed **Champai Soren** Government.
- The Budget will meet the aspirations of every section of the society, including poor people, farmers, tribals and women, and will bolster the overall development of the State.
