

MoU signed between Indian Red Cross Society and 23 state universities

Why In News?

On April 20, 2022, MoU was signed between 23 government universities of the state and Red Cross Society, Rajasthan at Raj Bhavan in Rajasthan, along with the launch of a new website (redcross.rajasthan.gov.in) of Red Cross Society.

Key Points

- According to the MoU, the Red Cross and the universities will work in collaboration to create awareness about disasters and risk prevention-relief work, water sanitation and sanitation management, climate change, environmental management, eco-based works, health services and blood donation.
- After these MoUs, training and other activities of the Red Cross will be expanded in universities and colleges as well. Now lakhs of students studying in state universities will get an opportunity to join the activities of the Red Cross.
- In the new website of Red Cross Society Rajasthan, online arrangements have been made for applying for new membership and joining as a volunteer and giving financial support.
- On this occasion, Governor of Rajasthan and ex-officio President of Red Cross Society, Rajasthan branch, Kalraj Mishra said that units have been formed in all the districts in coordination with district collectors to give impetus to the activities of Red Cross in Rajasthan.
- He also directed to constitute the executive committee of the Red Cross State Unit at the earliest, so that the strong, active and powerful form of Red Cross is visible in the state at the time of calamities and crises. He directed to make the Red Cross Society effective by running a time bound campaign in the state.
