

Additional Virtual Classrooms in Uttarakhand

Why in News?

The Uttarakhand government plans to introduce **840 additional virtual classrooms** with the assistance of **Telecommunications Consultants India (TCIL)**.

 These virtual classrooms will enable teachers in Dehradun to conduct live online classes for students.

Key Points

- In the first phase, the scheme is already extended to 1.9 lakh students between classes 6 to 12.
 - Authorities are currently working to ensure that underprivileged students receive education without any technical issues.
 - Coaching will also be provided to students preparing for medical and engineering entrance exams to bring socio-economic change.
- The program is currently being implemented in 500 government schools spread across the 13 districts of the state.
 - It utilizes Remote Operated Terminals (ROTs) and Satellite Interactive Technology to enable interactive communication in virtual classrooms, enabling students to engage in both online and offline learning.
 - Additionally, **parents and teachers have the ability to monitor their progress** through dedicated applications.
