

## 65th Foundation Day of CSIR-Indian Institute of Petroleum (IIP)

## Source: PIB

Recently, the <u>Council of Scientific & Industrial Research</u> - Indian Institute of Petroleum (CSIR-IIP) celebrated its 65th Foundation Day, established on 14th April, 1960.

- During the event, scientists were encouraged to undertake challenging research in <u>e-Methanol</u> and <u>Green Hydrogen</u>, <u>Carbon neutrality</u>.
- The Director of CSIR-IIP presented the institute's roadmap for 2024-2030, aiming to achieve <u>Vikasit Bharat</u> and highlighted achievements of institute such as Numaligarh Wax Plant, <u>Sustainable Aviation Fuel</u>, US Grade Gasoline, <u>Medical Oxygen Units</u>, Sweetening Catalyst, PNG Burner, and Improved Gur Bhatti.
- CSIR is one of the largest research and development (R&D) organisations, established in 1942.
  - It is funded by the Ministry of Science and Technology and it operates as an autonomous body through the <u>Societies Registration Act, 1860.</u>
- CSIR covers a broad range of fields from radio and space physics, oceanography, and geophysics to biotechnology, nanotechnology, mining, aeronautics, environmental engineering, and information technology.
