

# Generic Aadhaar Stores will also Open in Government Hospitals of Uttar Pradesh

## Why In News?

On December 18, 2022 Arjun Deshpande, the operator of generic Aadhaar, said that medical stores of **generic Aadhaar will also be opened in government hospitals** of the state. An MoU will soon be signed between the Uttar Pradesh government and generic Aadhaar to deliver generic medicines to rural areas.

## Key Points

- It is worth mentioning that Arjun Deshpande, the operator of generic Aadhaar, met Chief Minister Yogi Adityanath in this regard and told that medicines will be given to patients at a cheaper rate through generic Aadhaar in government hospitals of the state.
- He said that there are about **1800 stores running on generic basis, 150 stores in different districts of Uttar Pradesh**. After talks with the Chief Minister, a target has been set to **increase it to 700 now**. Another store will be opened about five hundred meters away from where this generic store will be located.
- He said that medical stores of generic Aadhaar are running in government hospitals in Maharashtra and Andhra Pradesh. Medicines are being provided to patients at affordable rates.
