# **Rajasthan to Build Water Harvesting Units**

#### Why in News?

The Rajasthan government has chosen to increase efforts in <u>water conservation</u> in the state with the <u>Mukhyamantri Jal Swavlamban Abhiyan 2.0</u> in response to <u>water scarcity</u> issues in various regions.

 Under the initiative, there is a plan to construct 500,000 water harvesting structures in 20,000 villages over the next four years.

## **Key Points**

- As per the government statistics, Rajasthan, known as one of the driest areas in the country, has consistently dealt with a lack of water.
  - The state receives an annual rainfall varying from 100 mm to 800 mm, resulting in numerous regions experiencing water shortages, including for basic drinking needs.
- Rainfall is the main contributor to groundwater replenishment in the state, and water levels differ significantly throughout the region.
  - A government report highlighted Rajasthan as one of the prominent states where groundwater sources have been excessively utilized.
- <u>Rajasthan State Industrial Development & Investment Corporation (RIICO)</u> recently released a notification requiring all individuals leasing plots measuring 500 square meters or more to install <u>rainwater harvesting systems</u> on their property to enhance water conservation efforts and boost groundwater levels.
- Rajasthan Police Housing and Construction Corporation Limited (RPH&CCL) will also incorporate rainwater harvesting in its current building projects.

#### Mukhyamantri Jal Swavlamban Abhiyan

- CM launched the campaign from village Gardan Kheri in Jhalawar district of Rajasthan on 27<sup>th</sup> January 2016.
- The Scheme is based on Four-waters Concept that involves harvesting of available runoff (rain water, ground water, under-ground water & in situ soil moisture) in rural areas by treatment of catchment, proper utilization, renovation & creation of new water harvesting structures.

## Rajasthan State Industrial Development and Investment Corporation (RIICO)

- It is a premier agency of the Government of Rajasthan that has played an important role in the industrial development of Rajasthan, it was formed in 1980.
- A Government enterprise established under Companies Act, 1956 on 28<sup>th</sup> March 1969 as Rajasthan State Industrial & Mineral Development Corporation (RSIMDC) was divided into two entities on 1<sup>st</sup> January 1980:
  - Rajasthan State Industrial Development & Investment Corporation Limited (RIICO)
  - Rajasthan State Mineral Development Corporation (RSMDC)
