

Rapid Fire Current Affairs

National Technology Day 2023

The **Prime Minister of India** recently inaugurated the [National Technology Day 2023 program](#). The event marked the beginning of the **celebration of the 25th year of National Technology Day**, which would be held from **May 11th to May 14th** featuring dedicated multiple projects related to scientific and technological advancement in the country, with a total worth of more than **Rs 5,800 crore**. The theme of the event was "**School to Start-ups - igniting young minds to innovate**."

The projects for which the foundation stone was laid include **Laser Interferometer Gravitational Wave Observatory - India (LIGO-India) in Hingoli**, the [Homi Bhabha Cancer Hospital and Research Centre in Jatni, Odisha](#), and the **Platinum Jubilee Block of Tata Memorial Hospital in Mumbai**.

The PM also highlighted the significance of **May 11th in India's history**, as it **commemorates the day when India's scientists achieved a remarkable feat in Pokhran Nuclear Testing**.

Addressing the role of technology in defence, the PM mentioned [Innovations for Defense Excellence \(IDEX\)](#) and India's goal of a self-reliant defence sector. He also highlighted advancements in the space sector, such as [SSLV and PSLV orbital platforms](#), and the need to provide opportunities for youth and start-ups in this domain.
