

# **Tigresses Relocation to Palamu Reserve**

#### Why in News?

According to the sources, to keep the four tigers that have moved to <u>Palamu Tiger Reserve (PTR)</u> efforts are being made to bring in two tigresses and one tiger from another reserve.

# **Key Points**

- The approval of the <u>National Zoo Authority</u> is awaited for shifting 350 animals to the **Soft Release** Centers (SRC) set up in the reserve.
  - Permission from <u>National Tiger Conservation Authority (NTCA)</u> for shifting the cheetals, sambhars and deer has already been obtained.
- The forest officials have set up four SRCs to ensure enough food for tigers, which will help them breed in the reserve.
  - In these centres, animals are placed in pre-release cages placed close to the location where they will be released.
- Soft releases at Baresadh, Lukaiya, Mundu, and Dhardharia cover 10 hectares each, creating a
  suitable environment for <u>cheetal</u> breeding, which will serve as prey for the tigers.
- Cheetals and sambhar will be shifted from Betla National Park and <u>Bhagwan Birsa Biological</u> <u>Park (Birsa Zoo)</u> to different SRCs.
- According to the report on the status of tigers in India. released by Prime Minister Narendra Modi in 2019, there were no tigers in PTR.
  - PTR is spread over an area of about 1,230 sq km. It was made a tiger reserve in 1973.

## **National Zoo Authority**

- It is a statutory body under the Ministry of Environment, Forest and Climate Change. It was constituted in 1992 under the <u>Wildlife (Protection) Act, 1972.</u>
- It is chaired by the Union Minister of Environment and has 10 members and a membersecretary.
- The main objective of the authority is to complement and strengthen the national effort in conservation of rich biodiversity.
- The authority provides recognition to zoos and is also tasked with regulating the zoos across the country.
  - It **lays down guidelines** and prescribes rules under which animals may be transferred among zoos nationally and internationally.
  - It **coordinates and implements programmes** on capacity building of zoo personnel, planned breeding programmes and ex-situ research.

## National Tiger Conservation Authority (NTCA)

- It is a statutory body under section 38 L (1) of <u>Wildlife (Protection) Act, 1972</u>.
- It was established in 2005 following the recommendations of the <u>Tiger Task Force</u>.
