Why in News?

The Union Cabinet has approved the **Uttar Poorva Transformative Industrialization Scheme (UNNATI), 2024** to foster industrial growth and employment generation in the [northeastern region](#).

What is UNNATI 2024?

- **Objective:**
 - It is aimed at **developing industries and generating employment** in the Northeast region.
 - It focuses on **attracting new investments**, nurturing existing ones, and promoting industries like [renewable energy](#) and [Electric Vehicle charging stations](#) while restricting environmentally harmful sectors such as cement and plastic.
- **Salient Features:**
 - **Scheme Period:** Effective from the date of Notification until 31.03.2034, with 8 years of committed liabilities.
 - The scheme's total cost is **Rs. 10,037 crore**, covering a 10-year period with an additional 8 years for committed liabilities.
 - **Commencement of Production:** All eligible Industrial Units to commence their production or operation within **4 years** from the grant of registration.
 - **Zone Classification:** Districts are categorised into **Zone A (Industrially Advanced) and Zone B (Industrially Backward)** for incentives.
 - **Funds Allocation:** 60% of Part A outlay earmarked for 8 North Eastern states and 40% allocated on a First-In-First-Out (FIFO) basis.
- **Incentives for Investors:** The scheme offers various incentives to investors for setting up new units or expanding existing ones, categorised based on [GST](#) applicability, like:
 - **Capital Investment Incentive**
 - **Central Capital Interest Subvention**
 - Manufacturing & Services linked incentive (MSLI) for new units linked to Net Payment of GST, with upper limits based on zones.
- **Implementation Strategy:** The [Department for Promotion of Industry and Internal Trade \(DPIIT\)](#) will implement the scheme in collaboration with states, overseen by national and state-level committees.
