Input Tax Credit

- It is the tax that a business pays on a purchase and that it can use to reduce its tax liability when it makes a sale.
- It means at the time of paying tax on output, one can reduce the tax that has already been paid on inputs and pay the balance amount.
- **Exceptions**: A business under **GST composition scheme cannot avail** of input tax credit. ITC cannot be claimed for personal use or for goods that are exempt.

GST Council

- Article 279A GST Council to be formed by the President to administer & govern GST. It's Chairman is Union Finance Minister of India with ministers nominated by the state governments as its members.
- The council is devised in such a way that the centre will have 1/3rd voting power and the states have 2/3rd.
- The decisions are taken by 3/4th majority.
