

UP Emerging as Country's Growth Engine

Why in News?

According to the Uttar Pradesh Chief Minister, the 'new **Uttar Pradesh**' is emerging as the **growth engine of the country**. It is transitioning from being '**Uttam Pradesh**' to becoming '**Udyam Pradesh**'.

Key Points

- Uttar Pradesh has **55% of the country's expressways** and also has the **highest number of airports**.
- Uttar Pradesh has set an **ambitious goal of becoming a one trillion dollar economy**.
 - To achieve this, the state is focusing on enhancing skill development, scaling up industries, and accelerating growth.
- According to the CM, Uttar Pradesh is on the path to transform India's labour force into an economic powerhouse.
