Katchatheevu Island

Source: TH

Why in News?

Recently, the Tamil Nadu Chief Minister revived the debate over the **Katchatheevu**, a longstanding point of contention **between India and Sri Lanka**, particularly with regard to fishing rights and sovereignty over the uninhabited island.

What are the Highlights of the Katchatheevu Issue?

Historical Background:

- Katchatheevu is a **285-acre uninhabited speck in the Palk Strait, between India and Sri Lanka**, an island located about 14 nautical miles off Rameswaram,India.
- In 1974, Prime Ministers Indira Gandhi of India and Sirima R.D. Bandaranaike of Sri Lanka signed an agreement that recognized Katchatheevu as part of Sri Lanka's

territory, resulting in a change of ownership.

- The agreement also allowed Indian fishermen to fish around the island, dry their nets on it, and permitted Indian pilgrims to visit the Catholic shrine located on the island.
- Fishing Rights and Livelihood:
 - Fisherfolk from both India and Sri Lanka have historically used Katchatheevu for fishing. Though this feature was acknowledged in the 1974 agreement, the supplemental pact was signed in 1976.
 - The 1976 agreement was aimed at **defining maritime boundaries and** exclusive economic zones for both countries, while also imposing restrictions on fishing vessels and fishermen from either nation, **prohibiting fishing in each** other's waters without explicit permission from either of the two countries.
- Indian Government Stance and Legal Aspects:
 - The Indian government, in 2013, stated that the **question of retrieval did not arise as no Indian territory was ceded.**
 - The issue was framed as a dispute between British India and Ceylon (now Sri Lanka), resolved through agreements in 1974 and 1976.
 - The Union government asserted that Katchatheevu lies on the Sri Lankan side of the India-Sri Lanka International Maritime Boundary Line.
- Political and Public Sentiment:
 - The transfer of Katchatheevu triggered opposition and debates in both Indian Houses of Parliament.
 - Leaders of Tamil Nadu have periodically raised the demand for the island's retrieval.
 - The demand evolved over the years, with suggestions of a "lease in perpetuity (a lease deed in which no specified time period)" for the island.

UPSC Civil Services Examination, Previous Year Questions (PYQs)

<u>Prelims</u>

Q. Elephant Pass, sometimes seen in the news, is mentioned in the context of the affairs of which one of the following? (2009)
