- **SCO Startup Forum:** The first-ever [Shanghai Cooperation Organisation \(SCO\)](#) Startup Forum was launched in October 2020 to develop and improve startup ecosystems collectively.

- **Prarambh:** The 'Prarambh' Summit aims to provide a platform to startups and young minds from around the world to come up with new ideas, innovation and invention.

Way Forward

- To circumvent the challenges faced by the Indian Startups, they **set up bases overseas, especially in countries** with favourable legal environments and taxation policies.

- The process of transferring the entire ownership of an Indian company to an overseas entity, including the transfer of all Intellectual Property and data owned by the Indian **company, is called 'flipping'**.

- Typically, flipping happens at the early stage of the startup. However, this **trend can be reversed with active collaboration with the government-related regulatory bodies** and other stakeholders.
