

# Saansad Adarsh Gram Yojana (SAGY)

## Why in News

According to the Ministry of Rural Development, only 252 Members of Parliament (MPs) have adopted gram panchayats under phase-4 of **Saansad Adarsh Gram Yojana (SAGY)**.

- At present, the **total strength** of both Houses is **about 790** which includes elected as well as nominated members.

## Saansad Adarsh Gram Yojana

- **The scheme was launched by** the Prime Minister of India on 11<sup>th</sup> October, 2014 on the birth anniversary of **Jai Prakash Narayan**.
- **Goal**
  - Under the Yojana, Members of Parliament (MPs) are responsible for developing the socio-economic and physical infrastructure of three villages each by 2019, and a total of eight villages each by 2024. The first Adarsh Gram (Model Village) was to be developed by 2016, and two more by 2019.
  - From 2019 to 2024, five more Adarsh Grams must be developed by each MP, one each year. This implies that a total of 6,433 Adarsh Grams, of the 2,65,000 gram panchayats, will be created by 2024.
- **Process**
  - **Gram Panchayat:** The **basic unit** for development.
  - **Lok Sabha MP:** chooses a Gram Panchayat from within **his/her constituency**.
  - **Rajya Sabha MP:** chooses Gram Panchayat from the rural area of a district of his/her choice in the **State from which he/she is elected**.
  - **Nominated MPs:** choose a Gram Panchayat from the rural area of **any district in the country**.
- **Action Taken**
  - The MPs engages with the community, facilitate the Village Development Plan and mobilise the necessary resources particularly from **Corporate Social Responsibility (CSR) and philanthropies**.
  - The **planning process** in each village is a participatory exercise coordinated by the District Collector.
  - MPs also fill up critical gaps in the plan using the **Member of Parliament Local Area Development Scheme (MPLADs)** funds.

## Analysis

- Since the launch of the scheme, only 1,753 gram panchayats have been selected across four phases, way **below the expected figure**.

- In Phase-1 of SAGY, 703 MPs adopted gram panchayats but that number went down to 497 in Phase-2 and 301 in Phase-3, showing a gradual decline in subsequent phases.
- **Specific To Lok Sabha:** About **two-thirds of Lok Sabha MPs are yet to select gram panchayats** under Phase-4 of the scheme. The Lok Sabha has a total strength of 545 members which includes 543 elected members and two nominated members from anglo-Indian community.

## Way Forward

- The vision behind the evolution of SAGY villages was to create model villages by ensuring convergence and dovetailing of schemes and its proper implementation on priority basis. However, the **seriousness required to achieve the motto is lacking**. MPs need to be more responsible towards the scheme.
- At the same time, the Ministry of Rural Development should ensure that the SAGY villages are dealt with the vision envisaged under the scheme and are not left behind.
