Recently, the centre has expressed its concern over the violations of Laws related to **Organ Transplantation** in India.

- Centre has urged States to direct the appropriate authority under the <u>Transplantation of Human</u> <u>Organs & Tissues Act (THOTA)</u>, **1994**, to investigate transplants in respect of foreign nationals in the State.
- It has also directed the states to ensure that a <u>NOTTO (National Organ and Tissue</u> <u>Transplantation Organisation) ID</u> is generated for the donor and recipient for both living-donor as well as deceased-donor transplants.
 - NOTTO-ID is mandatory for considering allocation of organs in case of deceased-donor transplant.
- Centre has directed that this ID in case of a living-donor transplant shall also be generated at the earliest, maximum within 48 hours after the transplant surgery is done.
- As per the Indian law, Commercial Trading of the Organ is Not Allowed.
 - Organ can be donated by a living person only if they (donor and recipient) are close relatives or share a close bond and want to donate altruistically.
