Naxalism in India

- The term Naxalism derives its name from the village Naxalbari of West Bengal.

- Started in West Bengal, the movement has spread across Eastern India; in less developed areas of states such as Chhattisgarh, Odisha and Andhra Pradesh.
- It is considered that Naxals support Maoist political sentiments and ideology.
 - Maoism is a form of communism developed by Mao Tse Tung. It is a doctrine to capture State power through a combination of armed insurgency, mass mobilization and strategic alliances.
