Recently, Prime Minister Narendra Modi virtually launched several developmental projects in Tripura including the inauguration of the **state's second integrated check post (ICP)** (also known as Land Port) **in Sabroom**, which is Tripura's southernmost tip bordering Bangladesh.

▪ **About:**

- Sabroom is located in **South Tripura district in Tripura**. It is located on the banks of the **Feni River, which separates India and Bangladesh**.
- It is connected to the **Chittagong port** of Bangladesh through **Maitree Bridge** on River Feni.
- It will enhance the transportation of passengers and goods between India and Bangladesh.
