

# Environmental Protection Charge

[Source: IE](#)

## Why in News?

According to a [CPCB \(Central Pollution Control Board\)](#) report submitted to the [National Green Tribunal](#), a significant portion of the **Environment Protection Charge (EPC)** and Environmental Compensation (EC) collected by the CPCB remains unspent.

- As much as 80% of the EPC and EC collected by the Central Pollution Control Board remains unspent.

## What is the Environment Protection Charge?

- The EPC is a fund used by the **Central Board of Pollution Control (CPCB)** to provide scientific inputs for improving air quality in **Delhi NCR**. The CPCB works with other institutions like IIT and NEERI under the EPC fund.
- The EPC is received as per an order of the [Supreme Court \(M.C. Mehta Vs Union of India Case, 1985\)](#), and for air quality improvement and related work in Delhi-NCR such as research and development activities and vehicular pollution control health impact studies and specific projects to control pollution in Delhi-NCR and Punjab.
- The CPCB also receives 25% of the environmental compensation collected by state pollution control boards. It also collects environmental penalties directly from polluters/defaulters in various matters.
  - In 2016, the **SC (Supreme Court)** imposed an **EPC of 1% on the sale of 2000cc and above diesel cars** in Delhi and NCR.

## What is Environmental Compensation?

- The EC is a tool **aimed at protecting the environment and mitigating the damage** caused by pollution. It operates on the [principle of "polluter pays,"](#) which means that those who are responsible for polluting the environment should bear the cost of its restoration or compensation for the damage caused.
- In simple terms, environmental compensation involves **imposing monetary penalties on individuals, companies,** or entities that pollute the environment or adversely affect human health.
- These penalties are intended to recover the costs associated with the environmental damage and to deter future violations.

## What is CPCB?

- The [Central Pollution Control Board \(CPCB\)](#), is a statutory organisation, was constituted in 1974 under the [Water \(Prevention and Control of Pollution\) Act, 1974](#).
- CPCB was also entrusted with the powers and functions under the [Air \(Prevention and Control of Pollution\) Act, 1981](#).
- It serves as a field formation and also provides technical services to the Ministry of Environment

and Forests and Climate change of the provisions of the [Environment \(Protection\) Act, 1986](#).

## What is the National Green Tribunal?

- **Foundation:** The NGT was established in October, 2010, under the [National Green Tribunal Act 2010](#).
  - Its primary focus is to facilitate the swift and efficient resolution of cases related to environmental protection, conservation of forests, and preservation of natural resources.
  - Currently, **New Delhi serves as the principal place of sitting of NGT**, with Bhopal, Pune, Kolkata, and Chennai designated as the other four places of sitting for the Tribunal.
- **Structure:**
  - The Tribunal is headed by the Chairperson who sits in the Principal Bench and has at least 10 but not more than 20 judicial members and expert members.
    - The Chairperson is appointed by the Central Government in consultation **with the Chief Justice of India (CJI)**.
    - A Selection Committee shall be formed by the central government to appoint the Judicial Members and Expert Members.
- **Legal Mandate:** The Tribunal's jurisdiction extends to **enforcing environmental rights, granting relief and compensation** for damages to individuals and property, and addressing matters associated with environmental protection and conservation.
  - It operates independently of the **procedural rules laid down in the Code of Civil Procedure, 1908, guided instead by principles of natural justice**.
  - Any person seeking relief and compensation for environmental damage involving subjects in the legislations mentioned in **Schedule I of the National Green Tribunal Act, 2010**, may approach the Tribunal. The statutes in **Schedule I** are:
    - [The Water \(Prevention and Control of Pollution\) Act, 1974](#)
    - [The Water \(Prevention and Control of Pollution\) Cess Act, 1977](#)
    - [The Forest \(Conservation\) Act, 1980](#)
    - [The Air \(Prevention and Control of Pollution\) Act, 1981](#)
    - [The Environment \(Protection\) Act, 1986](#)
    - [The Public Liability Insurance Act, 1991](#)
    - [The Biological Diversity Act, 2002](#).

## UPSC Civil Services Examination Previous Year Question (PYQ)
