

# **India-Armenia Relations**

For Prelims: Location of Armenia

For Mains: India-Armenia Relations

## Why in News?

Armenia and India celebrated 30 years of bilateral diplomatic relations in 2022.

#### **How have Historical Ties been?**

- Armenia and India maintain active political ties. Effective cooperation exists between the two
  nations within international bodies.
- After Armenia's independence in 1991, Armenian-Indian relations were reestablished.
- Diplomatic relations were established between the Republic of Armenia and India in 1992.
- In 1999, the Indian Embassy in Yerevan began operations.
- If the Armenian-Indian political relations can be evaluated as "excellent", **Armenia is the only Commonwealth of Independent States (CIS) country with which India had diplomatic relations in 1995 (other than Russia).** 
  - The CIS was founded in 1991 after the dissolution of the Soviet Union.
  - At present the CIS unites: Azerbaijan, Armenia, Belarus, Kazakhstan, Kyrgyzstan, Moldova, Russia, Tajikistan, Turkmenistan, Uzbekistan and Ukraine.
- India and Armenia signed a Treaty on Friendship and Cooperation in 1995.
- But the trade and economic cooperation between the two countries cannot be deemed adequate.

### What are the Areas of Cooperation Between the Two Countries?

#### Defence Relations:

- Armenia had already shown interest in Indian military hardware before the 2020 war.
- In 2020, Armenia signed a USD 40 million arms deal with India for the supply of four SWATHI radars to detect the location of weapons.
- In October 2022, India signed an agreement with Armenia to export missiles, rockets & ammunition.
  - The missiles will also include Indigenous Pinaka Multi-Barrel Rocket Launcher.
  - India may also export its <u>Man Portable Anti-Tank Guided Missile (MPATGM)</u> to Armenia.

### Supply Chain and Economy:

- In the contest over global supply chains, Armenia provides a potential outpost for New Delhi in the Eurasian corridor which extends from the Persian Gulf to Russia and Europe.
- Armenia can also prove a worthy developmental partner to India in domains such as agriculture, pharmaceuticals, manufacturing, and technology.
- The collaboration can provide an outstanding substitute for the debt-fuelled Chinese <u>Belt</u> and Road Initiative model.
- Finally, it goes without saying that Armenia growing purchases of Indian defence hardware would provide an impetus to both public and private sector defence manufacturing in India.

## What is the Significance of Armenia for India?

#### Countering Pan-Turkism:

- Turkey's imperial ambition of establishing a pan-Turkic empire, administered from Ankara, is identifiable in the present-day Caucasus and other parts of Eurasia.
- The racist doctrine envisions an empire comprising all nations and regions that speak a Turkic-type language, disregarding the extent of difference between those languages and that spoken in Turkey as well as the approval of the regions' respective populaces.
- With recent exports of military hardware to Armenia, New Delhi has openly positioned itself on Armenian side in the Nagorno-Karabakh conflict and has therefore chosen to counter Azerbaijan and its supporters including Turkey and Pakistan as well as Ankara's expansionist pan-Turkic ambitions.

#### Geo-Strategic Benefits:

- As an ally of Azerbaijan, Pakistan has been supplying men and military hardware to assist the former in its conflicts.
- Azerbaijan has returned the favour by offering geopolitical, geoeconomic, and geostrategic benefits to its partners in Islamabad.
- Azerbaijan's success in Armenia would significantly energize Pakistan, with perilous consequences.
- The purpose of seizing Armenian territory forcibly is to gain unhindered access to Turkey,
   Azerbaijan, Pakistan, and the entire Turkic-oriented axis of nations, up to China.
  - Munitions and military hardware could utilise this route to arrive at the doorstep of Kashmir.
- To prevent this, New Delhi can utilize its military skills and capabilities to assist Armenia in securing itself against Azerbaijan's energy-funded superior military strength.

#### Economic Cooperation:

 Armenia can play an important role in the <u>Indian-backed International North-South</u>
 <u>Transport Corridor (INSTC)</u> and the Iranian-backed <u>Black Sea-Persian Gulf Transport Corridor</u>.

### **Way Forward**

 Armenian-Indian cooperation can become an integral part of broader contacts for Armenia with developed democracies. For these ends, high-quality and subtle diplomacy is

#### imperative.

- The structure of international relations are also changing, creating both potential threats and opportunities.
- In these shifting global relations, Armenia requires a deep diversification of foreign relations.
- The countries of the Global West may become the most auspicious directions.
- By sharing common values, Armenia and the Community of States will be able to work closely together.
  - It is the exact area of cooperation that will ensure the active implementation of the modernization theory, institutionalization, and, possibly, strengthen national defense.
