

GeM Learning Management System

Source: PIB

Recently, **Government e Marketplace's (GeM) e-learning Training Courses** has been made available in 12 Official Languages.

- Introduced in 2024, the Government e Marketplace (GeM) Learning Management System (LMS) represents an innovative initiative by the government.
- The GeM-LMS is an important knowledge repository designed with a user-centric approach, offering a comprehensive platform for users and trainers, supporting various intermediate processes such as registration, training, certification.
- GeM has expanded its interactive and user-friendly LMS to include six more official languages, making this learning platform accessible in a total of twelve official languages of India.

Government e Marketplace (GeM):

- GeM is a 100% Government owned and National Public Procurement Portal that facilitates online procurement of common use Goods & Services required by various Government Departments / Organisations / PSUs.
- The initiative was launched by the **Ministry of Commerce and Industry** in **2016**.
- It provides the tools of e-bidding, reverse e-auction and demand aggregation to facilitate the government users, achieve the best value for their money and aims to enhance transparency, efficiency and speed in public procurement.
