

Rani Kamlapati Railway Station

Why in News

On November 15, 2021, Prime Minister Narendra Modi inaugurated the redeveloped world class Rani Kamalapati (formerly Habibganj) railway station in Bhopal.

Key Points

- Rani Kamlapati Railway Station is the country's first ISO certified and developed railway station on **PPP model**. This station is the **first in the state** and the **second world class railway station in the country**.
- A short film focusing on the projects developed by the Indian Railways was screened during this period. The film was about the state-of-the-art facilities available at the station.
- Rani Kamlapati Railway Station has been redeveloped on PPP model. The total cost of this project is Rs 450 crore. This railway station is the **first model station in the country to be built under public-private partnership**.
- Rani Kamalapati was a **Gond queen** who was married to the Raja of Ginnaurgarh. She is considered the last Hindu queen of the Gond dynasty.
