

Astro Tourist in Uttarakhand

Why in News?

Recently, the **Uttarakhand government** organised a **three-day 'Nakshatra Sabha'** to promote **astro tourism** in the region.

- Besides astro tourism, the state is also focusing on green tourism, adventure tourism, and wellness tourism

Key Points

- The event is part of Uttarakhand's initiative to promote **multidimensional tourism** in the state.
- This pioneering initiative aims to make Uttarakhand a premier destination for celestial admirers and travelers seeking unique experiences under the night sky.
 - The event took place at **George Everest Peak in Mussoorie**, known for its **spectacular views** of the **snow-clad Himalayan peaks** and the **Doon Valley**.
- The event featured stargazing through specialized instruments, talks by experts, an astrophotography competition, and special solar observations.
