

Election Mobile App

Why in News?

- On June 29, 2022, the 'Election' mobile app (Android Based) has been updated for the convenience of voters and candidates for the general election year-2022 of Madhya Pradesh urban bodies and three-tier panchayats.

Key Points

- Election related information can be obtained through this app.
- State Election Commission Secretary Rakesh Singh informed that in the 'Election' app, the information of voters, candidates for the post of mayor, councilor, district panchayat member and district panchayat member is available as per the summary of the affidavit.
- In this app the election results of Mayor, Councilor, Zilla Panchayat member and Janpad Panchayat member will also be available.
