

2000 Tax Mitras will be Appointed in the State

Why in News?

On 10 April 2023, Chief Minister Ashok Gehlot approved the proposal related to planning qualifications and fee fixation. To facilitate the applicants in the application process, the state government will appoint 2000 tax friends in the state.

Key Points

- Chief Minister Ashok Gehlot has also approved the development of an Artificial Intelligence-based 'e-tax officer software platform' to provide the first-level facility of self-tax scrutiny to businessmen.
- After the Chief Minister's approval, it will now be easier to deposit Goods and Services Tax (GST) and Value Added Tax (VAT).
- The minimum educational qualification for Tax Mitra is graduation in commerce. Preference will be given to experienced applicants including CA, CS, and ICWA. The age limit has been fixed from 21 to 40 years.
- Tax Mitra will charge a fee for various tax-related application processes. This fee has also been fixed. In this, a fee of Rs 50 to Rs 400 has been kept for other works including GST, VAT application, amendment, ITC, e-way bill, subsidy application, and MSME application.
- It is noteworthy that the announcement in this regard was made by the Chief Minister in the budget for the year 2023-24 for ease of GST and VAT application procedures.
