

School Chalo Abhiyan

Why in News?

On April 4, 2022, Chief Minister Yogi Adityanath launched the month-long '**School Chalo Abhiyan**' in **Shravasti, the district with the lowest literacy rate in the state.**

Key Points

- Its objective is **to ensure 100% enrollment in primary and upper primary schools.**
- Under this campaign, priority will be given to districts with low literacy rate, which include **Shravasti, Bahraich, Balrampur, Badaun and Rampur.**
- The Chief Minister also directed the MLAs and Education Department officials **to adopt one school** each and work towards transformation of schools in terms of facilities like well equipped libraries, smart classrooms, provision of safe drinking water, toilets etc.
- Significantly, since the **launch of Operation Kayakalp in 2017**, schools in Uttar Pradesh have been revamped with provision of drinking water facility, furniture, construction of toilets, smart classes and improving the quality of mid-day meals in 1.34 lakh primary schools.
