

SADA TANSEEQ

The inaugural edition of the [India-Saudi Arabia](#) **Joint Military Exercise 'SADA TANSEEQ'** kicked off in **Mahajan, Rajasthan**. The Royal Saudi Land Forces and the Indian Army, each with 45 personnel, are actively participating.

- The primary objective is to train troops for **Joint Operations in [Semi-Desert terrain](#)** as outlined in **Chapter VII of the [United Nations Charter](#)**.
- Major activities include **Mobile Vehicle Check Posts, Cordon & Search Operations, House Intervention Drills, Reflex Shooting, Slithering, and Sniper Firing**, offering an opportunity to strengthen bilateral relations and achieve shared security objectives.
