

## UAE's Exit from FATF Grey List

[Source: BL](#)

### Why in News?

The recent removal of the **United Arab Emirates (UAE)** from the [Financial Action Task Force \(FATF\) grey list](#) has sparked optimism for investment landscapes, particularly in India's [Non-Banking Financial Companies \(NBFCs\)](#).

### How does the UAE's Exit from Grey List Impact Investments in Indian NBFCs?

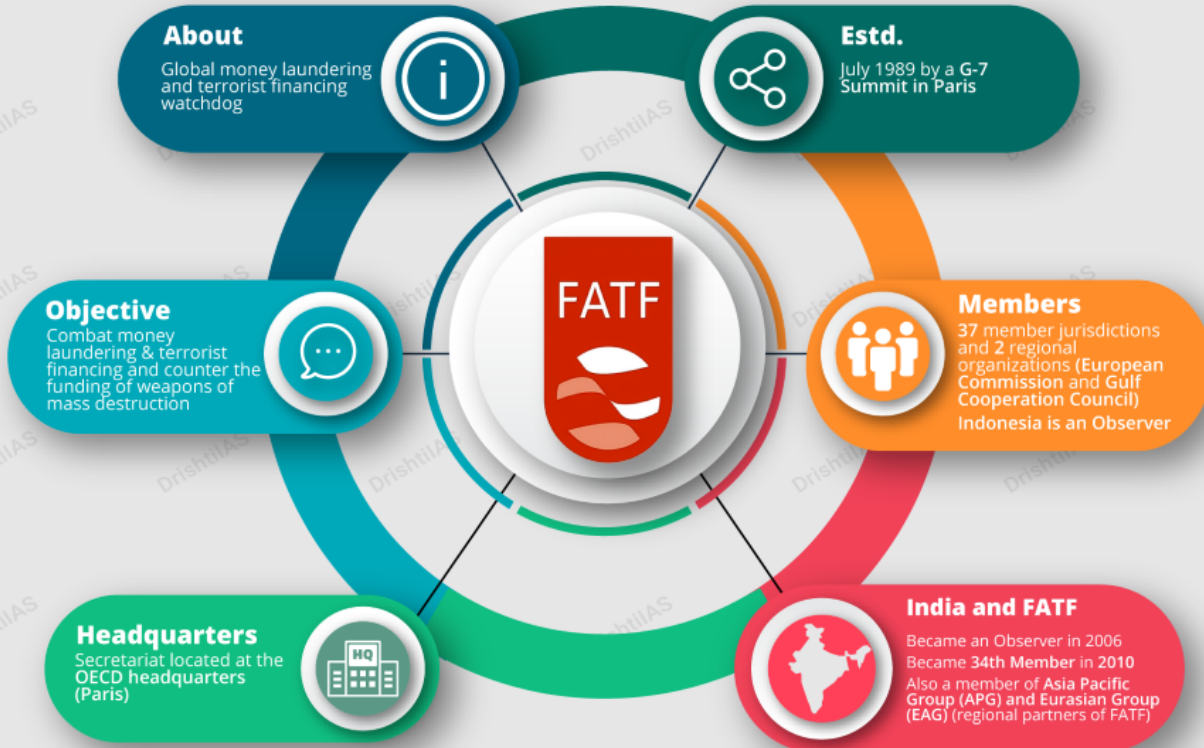

- **Investment Policies:** A [Reserve Bank of India \(RBI\)](#) circular in 2021 outlined investment regulations for NBFCs, distinguishing between investments from compliant and non-compliant FATF jurisdictions.
  - Investments from non-compliant jurisdictions faced restrictions on acquiring significant influence in Indian NBFCs.
- **Impact on UAE Investors:** The UAE's removal from the FATF grey list facilitates easier investment for UAE-based investors in Indian NBFCs.
- **Cross-Border Investment Facilitation:** The eased restrictions encourage cross-border investments between India and the UAE, benefiting both the countries' financial sectors.
- **Increase in FPI and FDI:** The UAE's exit may reduce [Know Your Customer \(KYC\)](#) requirements for [foreign portfolio investment \(FPIs\)](#) from the region, potentially boosting FPI inflows into India (expected to double).
  - Removal of UAE from grey list may lead to increased [foreign direct investment \(FDI\)](#) contributing to economic growth. This competition could drive innovation and attract more investments to both regions.

### What is a Non-Banking Financial Company (NBFC)?

- **About:** An NBFC is a company registered under the **Companies Act, 1956**, involved in various financial activities such as providing loans and advances, acquiring shares, stocks, bonds, debentures, and securities issued by the government or local authorities.
  - **NBFCs do not include institutions primarily engaged in:**
    - Agricultural or industrial activities
    - Purchase or sale of goods (other than securities)
    - Providing services
    - Dealing in immovable property.
- **Difference Between Banks & NBFCs:**
  - While banks can accept **demand deposits** from customers, NBFCs are not permitted to do so.
  - NBFCs are **not part of the payment and settlement system**, unlike banks.
  - NBFCs cannot issue cheques drawn on themselves, which banks are authorised to do.
  - The deposit insurance facility provided by Deposit Insurance and Credit Guarantee Corporation is not available to NBFC depositors, unlike bank depositors.
