

Govt Plans Pre-Diwali Gifts for UP Employees

Why in News?

Recently, the Uttar Pradesh government is expected to offer multiple benefits to state employees ahead of <u>Diwali</u>.

Key Points

- Three Potential Benefits:
 - **Dearness Allowance (DA) Hik**e: A **4%** increase in <u>DA</u>, bringing more financial relief to state employees by adjusting their income to match <u>inflation</u>.
 - **Bonus Announcement:** The state government may provide a Diwali bonus to employees, offering additional financial support for the festive season.
 - Retirement Age Review: Discussions are ongoing about possibly increasing the retirement age for specific government employees.
- Dearness Allowance (DA):
 - It is the cost-of-living adjustment to <u>offset inflation</u>, provided to government employees and pensioners. It is calculated as a percentage of the **basic salary.**
- Impact on Economy:
 - **Increased Consumer Spending**: The hike boosts disposable income, especially around festive periods, spurring consumer demand.
 - Inflation Control: DA helps employees manage inflation, but an increase in demand could potentially raise inflation if supply doesn't keep pace.
 - **Fiscal Pressure:** For the government, DA hikes increase expenditure, which may strain the fiscal budget but stimulate economic growth through consumption.

Inflation

- <u>Inflation</u>, as defined by the <u>International Monetary Fund</u>, is the rate of increase in prices over a
 given period, encompassing a broad measure of overall price increases or for specific goods and
 services.
- It reflects the rising cost of living and indicates how much more expensive a set of goods and/or services has become over a specified period, usually a year.
 - In India, inflation's impact is particularly significant due to economic disparities and a large population.
