

Mobile ATM Van of Rajasthan Marudhara Gramin Bank

Why in News?

- On May 1, 2022, Chief Minister Ashok Gehlot flagged off the mobile ATM unit van of Rajasthan Marudhara Gramin Bank. He also made the first transaction by observing the mobile ATM van.

Key Points

- A total of 4 mobile ATM vans have been provided to Rajasthan Marudhara Gramin Bank in collaboration with NABARD. These mobile ATM vans will provide banking services to the public in remote rural areas and dhanis in all districts of the bank service area.
- Along with this, the task of providing banking services to the soldiers deployed on the border will also be done through these vans.
- Through mobile ATM vans, camps will be organized to create awareness about financial literacy and digital banking and make the public aware about banking and the information about government schemes will be made available to the public.
