

# India Stands with the Philippines in the South China Sea

**For Prelims:** [Philippines](#), [South China Sea](#), [Taiwan](#), Luzon Strait, [Malacca Strait](#), [Nine-dash line](#), [Senkaku Islands](#), [Aegean Sea](#), [Exclusive Economic Zones](#), [Act East Policy](#), [ASEAN](#), [BrahMos supersonic cruise missile](#).

**For Mains:** Dispute in the South China Sea Region, Areas of Cooperation Between India and Philippines.

[Source: IE](#)

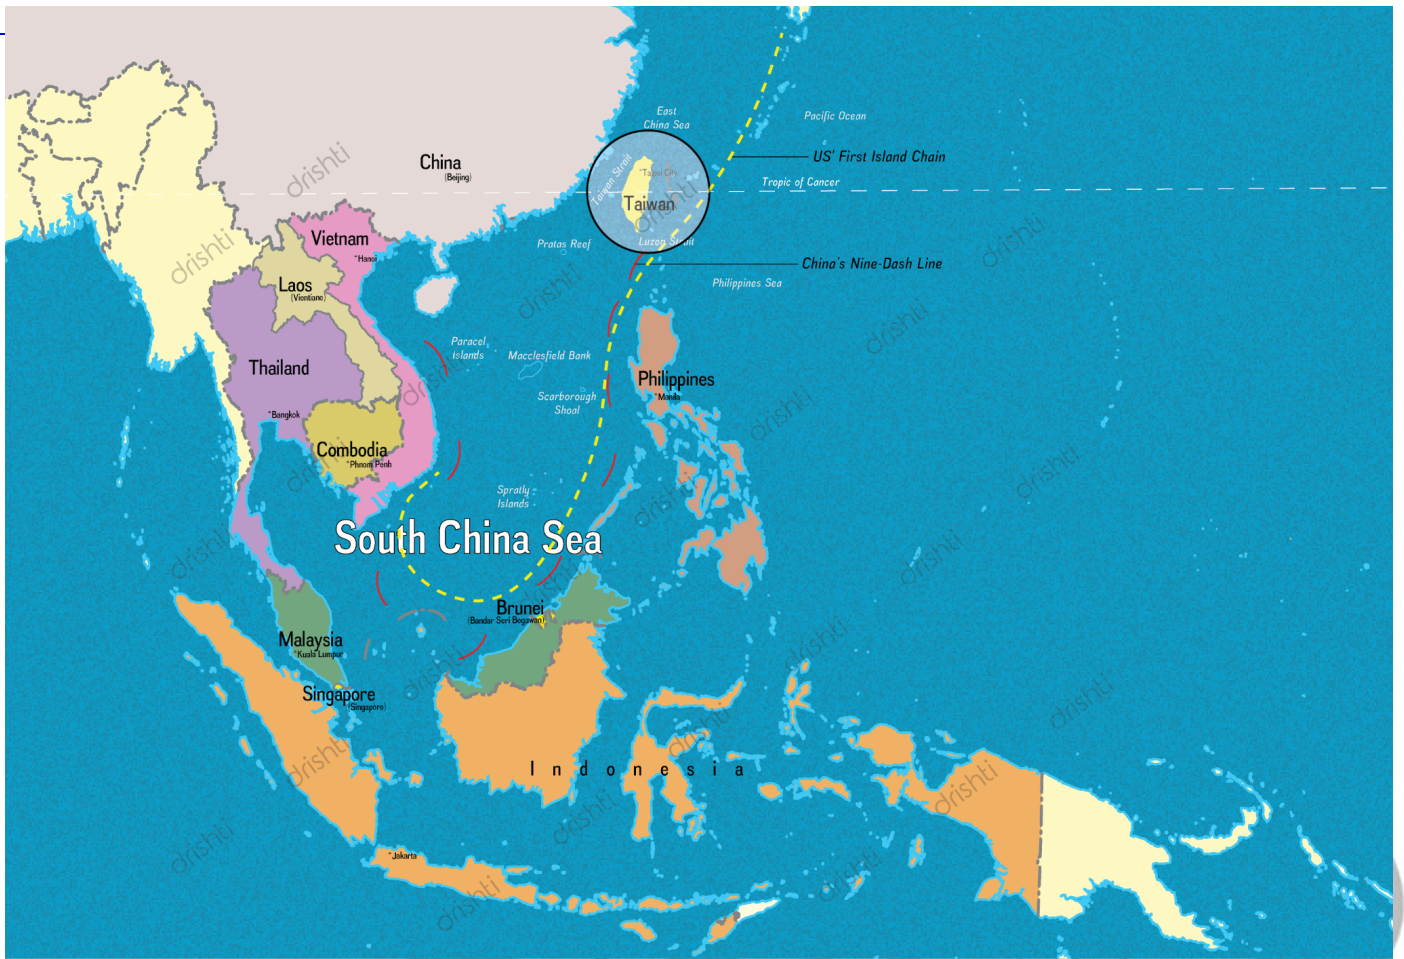

## Why in News?

India's Ministry of External Affairs recently expressed firm support for the [Philippines](#) in defending its national sovereignty amidst tensions with China over the [South China Sea](#).

- The diplomatic relations between the Philippines and India are approaching their **75<sup>th</sup> year in 2024**. This milestone marks a transformative partnership between the two nations.

## What is the Dispute in the South China Sea Region?

- **Significance of South China Sea:**
  - **Strategic Location:** The South China Sea is strategically located, bordered by **China and Taiwan** to the north, the **Indo-Chinese peninsula** (including Vietnam, Thailand, Malaysia, and Singapore) to the west, **Indonesia and Brunei** to the south, and the **Philippines** to the east (referred to as the West Philippine Sea).
  - the **Luzon Strait** with the Philippine It is connected by the [Taiwan Strait](#) with the East China Sea and by Sea (both marginal seas of the Pacific Ocean)
  - **Trade Importance:** One-third of all global shipping passes through the South China Sea. Over 64% of China's maritime trade passes through the South China Sea.
    - Over 55% of India's trade passes through the South China Sea and [Malacca Strait](#).
  - **Fishing Ground:** The South China Sea is also a rich fishing ground, providing a vital source of livelihood and food security for millions of people in the region.
    - It supports a diverse **marine ecosystem and sustains fisheries**, contributing significantly to regional economies and food supplies.
- **Dispute:**
  - The core of the South China Sea dispute involves competing claims over land features like islands and reefs and their surrounding waters.
    - The involved parties in these disputes include China, Brunei, Taiwan, the Philippines, Vietnam, and Malaysia.
    - China's ["nine-dash line"](#) claim encompasses up to **90% of the sea**, leading to tensions as it has expanded islands and built military installations to reinforce control, especially in the [Paracel and Spratly Islands](#).
  - Key areas include the **Spratly Islands, Paracel Islands, Pratas, Natuna Islands, and Scarborough Shoal**.

### What are Other Major Water Bodies Facing Territorial Disputes?

Maritime Area	Primary Countries Involved	Territorial Disputes	Map
<b>East China Sea</b>	China, Japan, Taiwan	Dispute over Senkaku/Diaoyu Islands	
<b>Aegean Sea</b>	Greece, Turkey	Overlapping claims, resource exploration, maritime boundaries	
<b>Arctic Ocean</b>	US, Canada, Russia, Denmark, Norway	Claims for Extended Exclusive Economic Zones	

## What is Salami Slicing Technique in Maritime Disputes?

- **About:** It involves countries **incrementally asserting control over maritime areas** through small, gradual actions over time.
  - It avoids direct confrontation, **exploits legal ambiguities**, and aims to assert influence and create irreversible situations in disputed waters.
- **Example:** China has been accused of employing the **salami slicing technique** in the South China Sea through actions like **building artificial islands, conducting resource exploration, and imposing fishing bans** to assert control and limit access for other countries.
  - For instance, recently Chinese coast guard ships blocked Philippine vessels at **Second Thomas Shoal**, resulting in escalated tensions in the region.

## What are the Areas of Cooperation Between India and the Philippines?

- **About:** India and the Philippines formally established diplomatic relations on **26<sup>th</sup> November 1949**.
  - With the **Act East Policy** initiated in 2014, the relationship with the Philippines has diversified further into political security; trade, industry, and people-to-people realms.
- **Bilateral Trade:** As per the official trade figures of the Department of Commerce, Government of India, bilateral trade between India and the Philippines crossed the **USD 3 billion** mark for the first time in 2022-23.
  - India exports engineering goods, automobile parts, petroleum products, pharmaceuticals, bovine meat, oilseeds, tobacco, and groundnuts to the Philippines.
  - Imports from the Philippines to India include **electrical machinery, semiconductors, ores, copper, plastics**, pearls, waste from the food industry, and animal fodder.
- **Health and Medicine:** The Philippines was the first ASEAN member to grant **Emergency Use Authorization (EUA)** for Bharat Biotech's Covaxin.
  - Currently, the Philippines accounts for about **20%** of India's pharmaceutical exports to **ASEAN**, with India being its largest supplier.
- **Science and Technology:** A Bilateral Programme of Cooperation (POC) in Science and Technology was signed in October 2019, covering areas like agricultural biotechnology, material science, and ocean science.
  - India signed a deal with the Philippines in **January 2022** to supply a shore-based anti-ship variant of the **BrahMos supersonic cruise missile**.
    - This underscores the global demand for India's advanced defence capabilities.
